

Analyzing Demographics & Offences in NYPD Arrests

Arrests are not merely statistics; they represent the lives, stories, and challenges faced by individuals within our society. This infographic unravels the prevalence of arrests among different racial groups, the age brackets most impacted, and the offenses that reverberate within our communities.

Policymakers and law enforcement agencies seeking to enhance public safety to researchers and journalists investigating social and demographic trends might find this infographic useful.

Male arrests significantly outnumber **Female** arrests, with a staggering **80%** difference between the two genders.

Male Arrests in Each Borough

Brooklyn, Bronx and Manhattan are the boroughs with most arrests and make up **75%** of the total arrests in NYC.

Which Age Group and Race have higher Arrest counts?

	<18	18-24	25-44	45-64	65+
WHITE HISPANIC	940	5366	16998	4921	311
WHITE	152	1137	6400	2920	361
BLACK HISPANIC	493	2244	6261	1520	94
BLACK	2417	9489	30480	10924	773
ASIAN / PACIFIC ISLANDER	177	998	3338	1299	183
AMERICAN INDIAN/ALASKAN NATIVE	11	69	195	69	12

Arrests are most prevalent among individuals **Aged 25-44**, with the highest rates observed within the **Black and White Hispanic** racial categories.

Black individuals face a disproportionately **high number of arrests**, highlighting the need for addressing social and systemic inequalities.
